Welcome to 'In Touch'

The magazine of **Cheltenham United Reformed Church**, a joint pastorate of the three United Reformed Churches in Cheltenham. The three churches work very closely together, sharing this magazine, the website and all activities.

St Andrew's United Reformed Church is in the Montpellier district of Cheltenham town centre. A former Presbyterian church founded in 1885, it became United Reformed on unification in 1972. St Andrew's offers impressive facilities, meeting the needs of 21st century Cheltenham.

Prestbury United Reformed Church is in the heart of Prestbury village on the northern edge of Cheltenham. A former Congregational chapel built in 1866, becoming United Reformed on unification in 1972.

The Church in Warden Hill is a Local Ecumenical Partnership (LEP) between the Anglican (St Christopher's) and URC communities of Up Hatherley and Warden Hill in the south of Cheltenham. Ministry is shared between the URC and Rev Gary Grady of the Anglican South Cheltenham Team

Ministry. Both the Anglican and URC buildings are regularly used for worship.

For other information about the Church in Warden Hill please see 'The Lantern' or visit www.tciwh.org.uk

Please Note: There will be NO 10.30am Morning Worship at Prestbury

This month's Pastoral letter comes from Janet Kemp, Church Secretary, St Andrew's

Dear Friends

Meetings, meetings, meetings – the URC thrives on them. We meet for worship, for business, for study, socially, in small groups and large ones. Friends are made, networking

is done. Meetings are the oil that keeps the whole working. It has always been so, humans cannot exist in isolation. We read in Acts 2 of a massive public gathering that turned into a meeting, the day of Pentecost. Pentecost, a Jewish festival, drew the crowds to Jerusalem, an event that was utilised by God to send the Holy Spirit. Everyone understood what Peter was saying despite speaking different languages. The CHURCH was born.

We shall be celebrating the 'Birthday of the Church' on 9th June this year at St Andrew's. This will also be our **United Pastorate Service**, celebrating the birthday of the Cheltenham United Reformed Church when Prestbury, St Andrew's and The Church in Warden Hill come together to worship. The theme of this service is yet another birthday celebration – 20 years of '**Open the Book**'. Members of all three churches will be taking part.

We also hear about another important meeting from Luke at the start of Acts in chapter 1 verse 15. This was a business meeting within worship. We, also have this type of meeting. Every two years, the West Midlands Synod of the URC (there are 13 Synods across the country) invites delegates, worshippers, friends, to a conference style meeting lasting 24 hours. **We are all invited**. Business is only the concern of the regular Synod reps, the rest of the programme is worship, workshops, news, speakers, socialising. If you have never experienced this type of meeting this could be your challenge! Come for the whole 24 hours or just the Saturday. You will not be disappointed. Details can be found on Page 5.

Whatever the type, style, and purpose of the meeting we attend we are communicating with each other, and with God.

Janet

Cheltenham Street Pastors

The Cheltenham Street Pastors 'Safe Space' vehicle , now known as 'The Stable' will be on show at the **Montpellier Street Fair on Sunday 30th June.**

It is normally parked in Ormond Place in the town centre on Friday and Saturday nights between 10pm and around 3am. This provides a stationary point of contact with those engaging in the night time economy of Cheltenham, in addition to the regular street patrols which are now into their 10th year. Street Pastors provide a caring, helping and listening presence giving out lollipops, flipflops, a listening ear and when appropriate, even prayer. Thank you to all involved.

St Andrew's Charity for June 2019

COMMITMENT FOR LIFE

The URC's Commitment for Life programme evolved from the programme of donations to Christian Aid and the World Development Movement, which were adopted at the formation of the URC in 1972. The two streams of giving were combined in 1992 as **Commitment for Life**, and the finally agreed programme was adopted as a General Assembly commitment in 1996. Since then, Commitment for Life has been part of the mainstream giving for the URC. It was resolved that the fund should focus on four major areas. These were originally India, Brazil, Palestine and Zimbabwe, but have changed over the years as circumstances have changed, and currently are Bangladesh, Zimbabwe, Central America and Israel/Palestine. Individual churches have decided which area(s) to adopt.

Commitment for Life's core project strapline is "justice for all, to help and to pray for some of the world's poorest people." The bulk of its funding goes via Christian Aid and to a lesser extent Global Justice Now.

Christian Aid has partner organisations in all the countries it supports, and in general the involvement of Christian Aid and the work of the partners are accepted by the host governments.

It is worth noting that, whilst the serious situations in Bangladesh and Israel/Palestine receive a great deal of publicity, Christian Aid and its partners are working to relieve extreme poverty in less well known areas. In Guatemala for example, where Commitment for Life's current campaign is to improve the lives of the six million indigenous people, an isolated and ignored community who have no access to basic services like health and education.

More information on **Commitment for Life** is available on the URC website www.urch.org.uk

Letter from Louis Ndekha in Malawi following Cyclone Idai

Dear Friends,

This is a summary report of the relief assistance St Andrews rendered to the people of my village in Malawi following the flooding caused by cyclone Idai.

I want to emphasise that the people of my village were particularly grateful for the timely donation. The assistance came at a time when they needed it most. Most of the recipients, who had lost all their harvest could not believe they were able to receive help, as at that time most of the government and other agencies' assistance was directed to the people in relief camps.

My village head woman was particularly very grateful for the donation. She has written a letter to St Andrews in Chichewa (our language). She thanks the members of St Andrews for the assistance and asks God to bless you so that you can continue to help others in need.

Main delivery

Distribution 23rd April 2019

Meanwhile some people (those who have the land) are now trying to go back to their gardens along rivers to plant in what is called winter-cropping (May-July) when some soft rains come and can feed some special crops. For the rest they must wait for the next cropping season which starts in November and ends in March.

On behalf of my village, I would like to thank the members of St Andrews for their generosity. Most people in my village live basic subsistent lives. When catastrophes like cyclone Idai strikes life becomes even more desperate for them. The assistance rendered to the families will go a long way as they try to find alternative options for survival.

Louis is now back in Cheltenham and is willing to speak about the situation he found in Malawi to any Groups that request it.

Happy Birthday to the Repair Cafe

In May we celebrated the third anniversary of the Repair Café at St Andrew's. Thanks to Florence for providing the cake which was much appreciated by the café organisers and volunteers. 38 of the 41 items brought in were repaired (sadly my steam mop wasn't one of them!) Items successfully repaired included a 1970's turntable, a 1930's clock and an alarm clock.

Age is a quality of mind.
If you have left your dreams behind,
If hope is cold,
If you no longer look ahead,
If your ambitions' fires are dead
Then you are old.

But if from life you take the best,
And if in life you keep the jest,
If love you hold;
No matter how the years go by,
No matter how the birthdays fly
You are not old.

Friday 17th May Shurdington

Eighteen Footsloggers left Morrisons Hatherley car park for a four mile walk across fields of Winter wheat and sheep pastures with views of Chosen Hill and in the distance in front of us, the Church of St Paul Shurdington. With one very wet entrance to a field we all got through but the visiting dog loved to paddle in it'

On arrival at the church we were greeted by the flower arrangers and a surprise welcome - the whole church was lit up. St Paul's Shurdington is Anglican dating from early 14th century. It has an unpanelled wagon roof. The spire is considered to be unusually slender and to be the finest in the county. Crossing five stiles we then made our way back through the original cricket ground and on to have lunch at the Cheese Rollers inn where two more friends joined us.

St Andrew's Charity for July 2019

SEVERN FREEWHEELERS.

Founded in 2007, Severn Freewheelers is a charity that provides a vital service to hospitals in Gloucestershire, Worcestershire, Herefordshire and North Wiltshire. They are a group of volunteer motorcyclists who hold advanced driving qualifications and receive extra training in emergency response riding.

During weekends, on Bank Holidays and during the night hours they provide a free courier service to all hospitals in the area. They are equipped to carry almost any medical essentials between hospitals, x-rays, samples, scans, blood, and much more. Each team or shift consists of four people, a dispatcher and three riders who are deployed in each of the main areas. The dispatcher receives calls from the hospitals and determines the most efficient way to achieve timely delivery, with emergencies taking preference. In emergencies speedy delivery is clearly essential and motorcycles can often travel where other vehicles cannot, using blue lights if necessary.

Severn Freewheelers now has a fleet of 8 motorcycles, and they cover some 150,000 miles and make over 4,500 deliveries every year, and all free of charge to the users. Funding is all from voluntary donations.

One of the group's major fundraising events is the Prescott Bike Festival, which might be of particular interest to the motorcyclists among us. This year the preview day is Saturday 15th June and the main show is on Sunday 16th.

More information about Severn Freewheelers is on their website severnfreewheelers.org.uk

Wednesday Social Group at Warden Hill URCC

Our Wednesday afternoons continue to be a treat!

24th April

We went **“Around the World in 80 photographs”** with Peter Barry. We enjoyed an hour of carefully chosen and well composed, technically excellent photographs. But that was not all, the pleasure was enhanced by an insightful commentary delivered with enthusiasm and drive. No chance for nodding off in the back row. Familiar places were given a new meaning as Peter put them into a new context. We saw, like John Keats, that “beauty is truth, truth is beauty”. This is something we must protect for the future generations. Thank you Peter.

8th May

A late start to our talk this week which gave us the chance to chat (never a problem with our members) and to give out the geraniums kindly supplied by Chris Evans for our “grow a beauty” Competition.

Fiona got her talk on **‘Land Girls’** off to a cracking start. Members were cast as volunteers at a recruitment meeting with names assigned to the 'keenies' in the front row. Much fun ensued as they were interviewed about their suitability. We laughed at the thought of some of our less sprightly members being the Lumber Jills to the chaps Lumberjacks!!! Fiona’s drive, acting and humour kept the afternoon moving at a great pace. I was only one of two members who had had a land-girl billeted with us and she became my much loved Aunty Joan – a friend for life. Ex Land Girls I met in Pilton in later years who had married local men were so proud of the essential work they had done for the Nation. No wonder! We owe them a huge debt of gratitude for their service to King and Country.

Come and join the Group, for fun and friendship in 2019 and beyond.
Don't be shy, a warm welcome awaits you.

We meet on the 2nd and 4th Wednesday afternoons in the month at 2.00pm, at the URC Centre.

Please spread the word.

From The Editor

Dear Friends

I shall be away on holiday in mid June, so this edition of 'In Touch' is June/July and the usual July/August edition, which will not be out till the middle of July will be for August.

It is always sad to note the loss of long standing contributions for 'In Touch'. Many of you know that Tuesday Forum, which has been meeting at St Andrew's for many years is closing this month. Numbers have dropped off significantly and it is no longer deemed a viable organisation. However, opportunity for meeting on Tuesday afternoons will continue for those who would like to. Tuesday Teas happen monthly at the moment and will continue to do so for the foreseeable future.

Our thanks go to Keith Norcott for the joy he has given through his monthly 'writings' about and around the Forum. We shall miss these items.

I am always happy to accept 'copy' from correspondents –and look forward to others taking up the pen.

Have a good summer

Janet
